Vision, Mission, Core Values and Strategic Initiatives Statement

Vision

John Carroll University will graduate individuals of intellect and character who lead and serve by engaging the world around them and around the globe.

Mission

As a Jesuit Catholic university, John Carroll inspires individuals to excel in learning, leadership, and service in the region and in the world.

Core Values

The University's core values include a commitment to learning in order to create:

- An environment of inquiry which embraces Jesuit Catholic education as a search for truth where faith and reason complement each other in learning. In pursuit of our educational mission, the University welcomes the perspectives and participation in our mission of faculty, staff, students, and alumni, of all faiths and of no faith.
- A rigorous approach to scholarship that instills in our graduates the knowledge, eloquence, sensitivity, and commitment to embrace and to live humane values.
- A campus committed to the intellectual, spiritual, emotional, and physical development of each student.
- An inclusive community where differing points of view and experience are valued as opportunities for mutual learning.
- A culture of service and excellence that permeates every program and office.
- A commitment to sharing our gifts in service to each other and the community.
- A campus that responds to demographic, economic, and social challenges.
- An appreciation that our personal and collective choices can build a more just world.

Strategic Initiatives

The following initiatives are essential to the University being recognized as a center of learning and service:

- Create a diverse community of faculty, staff, alumni and friends dedicated to advancing the university's vision, mission, and core values.
- Create a learning community of outstanding teacher-scholars characterized by the commitment to student achievement.
- Create a talented cohort of service-oriented staff committed to achieving and being recognized as a center of learning and service.
- Recruit, enroll, retain, and graduate a talented, diverse student body prepared for today's global reality and committed to learning, leadership and service that will engage the world.
- Secure resources necessary to foster an extraordinary learning experience and promote John Carroll's mission as a Jesuit Catholic university.
- Assist in responding to demographic, economic, and social challenges in our region in order to support investment and employment opportunities and build confidence in our shared future.

THE CORE CURRICULUM IN THE LIBERAL ARTS

The John Carroll Core Curriculum in the Liberal Arts is informed by the principles that issue from the University's mission as a Catholic and Jesuit institution of higher learning. Accordingly, the Core emphasizes the development of whole human persons who are educated in the humanizing arts and sciences; skilled in expression and in scholarly investigation; and aware of the interrelationship of all knowledge and the interdependence of all peoples. Moreover, it promotes the integration of faith and culture by imparting a deeper knowledge of, and respect for, the students' own cultural and religious traditions as well as those of others. Finally, it highlights intellectual, moral and spiritual principles, and the responsible social actions which flow from them.

JOHN M. AND MARY JO BOLER SCHOOL OF BUSINESS

The mission of the Boler School of Business is to develop and inspire tomorrow's leaders through educational excellence in the Jesuit tradition. Business education began at John Carroll University with the establishment of a Department of Business Administration in 1934 in the college of Arts and Sciences to provide professional training for students aspiring to positions of responsibility in the business world. This department was expanded in 1945 into the School of Business, and in 1974 expanded its offerings to include a Master in Business Administration degree. In March 1996, in recognition of the many generous contributions to the University from John M. and Mary Jo Boler, the School was named after them. Mr. Boler is a 1956 alumnus of the School. In 2001 a Master of Science in Accountancy degree was added to the Boler School's graduate offerings. The accountancy and business administration programs are accredited at both bachelor's and master's levels by the Association to Advance Collegiate Schools of Business (AACSB International).

OTHER PROGRAMS

Minor in Business - offered to students who choose to major in a field of study within the College of Arts and Sciences but would like to receive a foundation in business.

Minor in Economics - offered to students who choose to major in a field of study within the College of Arts and Sciences or the Boler School of Business.

Sequences - designed for post-baccalaureate students seeking knowledge in specific fields of study. The following areas of concentration are available:

- Accountancy
- Marketing
- Human Resources Management

INFORMATION TECHNOLOGY SERVICES

The Information Technology Services Department oversees and provides assistance for most computer and network functions, video services, and telephone services on campus. The main office is located on the fourth floor of Rodman Hall.

The major equipment serving the campus consists of

- 28 Intel-based servers – used for Web, Campus Card, event scheduling and academic applications including the Blackboard course management system
- 3 IBM pSeries AIX Servers – used for the Banner2000 administrative software system, which is supported on Oracle 10g database software
- 3 Sun Solaris Servers – used for network support & management, and directory services.
- 2 Clustered Network Appliance Storage Servers providing 9 terabytes of storage for campus network users and 2 terabytes of storage for administrative systems (Banner).
- 4 VMware servers and 13 terabytes of storage running 50 virtual systems.

The Campus Wide Gigabit Ethernet network (JCUNet), provides connection to all faculty and administrative offices and student residence rooms. The campus network has a Gigabit connection to the AT&T Opt-E-Man network. This Gigabit connection connects to the Ohio Academic Resources Network (OARNet), with a capacity of 150 Mb to the commodity Internet as well as 5Mb to Abilene (Internet 2) – the most advanced version of the Internet, which supports high-speed multimedia communications and 30 Mb to OARNet intra-Ohio which provides access to other educational institutions within the state.

JCUNet can be accessed everywhere on campus through computers using wireless technology.

Learning Support Services

The Learning Support Services area of ITS provides a full spectrum of support services for students, faculty, and staff including help desk, desktop/classroom support, instructional design/instructional technology support, videography, and other instructional media support for academic and university events. The Center for Digital Media housed in the Grasselli Library (see below) is a component of this area.

Center for Digital Media (CDM)

The CDM, located on the main floor of Grasselli Library, is dedicated to advancing the use of technology to enhance teaching, learning, and research, through a combination of faculty workshops, multimedia development assistance, and one-on-one consultations. The CDM absorbed the functions of the previous Faculty Technology Innovation Center, as well as added a new emphasis on faculty collaboration with our technologists in order to help JCU keep its “edge” in technology enabled education. The CDM is equipped with the latest technology resources and is staffed collaboratively by technologists from several university departments.

Administrative Software System

The SunGard Higher Education Banner integrated software system supports Admissions and Financial Aid, Registrar, Student Life, Alumni/Development, Human Resources, Finance and other related services throughout the campus; most of these functions are fully Web-enabled. Campus event scheduling, including a Web accessible event calendar, is supported by Resource25 software. In addition, Housing, Parking, and Judicial systems are provided through a separate application from Adirondack Solutions that is closely tied to Banner.

Information Technology in Residence Halls

All student residence rooms have a connection for each individual resident providing high-performance access to the Internet, Internet 2, and campus computing/network resources. Each room is also equipped with cable TV. Wireless access is available in all residence rooms.

Changes in Race/Ethnicity Reporting

This fall, the University will begin reporting student and employee race/ethnicities to the Integrated Postsecondary Education Data System (IPEDS) using the new Federal race/ethnicity standards. The race/ethnicity information has been ascertained by self-reported responses to surveys issued by the University. The table below provides the former and new federal race/ethnicity reporting structure. The survey has a two-question format; respondents are first asked to report whether they are of Hispanic/Latino ethnicity and then to select one or more of the given racial categories. In IPEDS reporting, those who select Hispanic/Latino are only reported in that category, and those who select two or more racial categories are only reported as Two or more races.

Current IPEDS Reporting Structure (5+2 format)	New IPEDS Reporting Structure (7+2 format)
1. Non-Resident Alien	1. Non-Resident Alien (of any race or ethnicity)
2. Race and Ethnicity unknown	2. Race and Ethnicity unknown
3. Black, non-Hispanic	3. Hispanic or Latino or Spanish Origin of any race
4. American Indian or Alaskan Native	For non-Hispanics/Latinos only:
5. Asian or Pacific Islander	4. American Indian or Alaskan Native
6. Hispanic	5. Asian
7. White, non-Hispanic	6. Black or African American
	7. Native Hawaiian or Other Pacific Islander
	8. White

The Center for Career Services

The Center for Career Services focuses on the career development of JCU students, while also providing services to alumni. Who am I and what am I good at? Where am I needed in the world? How do I get there? The process of answering these questions is career development. The Center for Career Services has a wide variety of resources to work with students and alumni to discover their own unique answers. Several Career Education Courses are offered for students in relation to those three questions. The following courses are 1-credit hour.

Who am I and what am I passionate about?

CE-111: Exploring Your Options

Freshmen and Sophomores – last 7 weeks of the semester.

Students that are undecided on a major and/or career field will explore their interests, values, personality and skills in relation to academic options available to them.

CE-101: Introduction to Careers

Examination of self in relation to the world of work in terms of values, skills, and interests.

Exploration of occupational paths for all majors, examination of employer/employee expectations.

Introduction to job search strategies, preparation of resumes, development of interviewing skills.

Where am I needed in the world?

CE-121: Introduction to the Accounting Profession

Sophomores and Juniors with the intention of majoring in Accountancy.

Introduction to the opportunities available in the accounting profession and the requirements of the accountancy major. Preparation for the junior-year internship.

CE-122: Introduction to Careers in Psychology

Students who are majoring in or are interested in pursuing careers in Psychology.

Explores the variety of career opportunities available in the field of Psychology.

How do I get there?

CE-131: Introduction to the World of Work

Juniors and Seniors only.

Prepare for the transition from college to career after graduation. Learn effective job search strategies, how to negotiate job offers, how to get experience before graduation, and financial planning for the new graduate.

Students will evaluate their marketable skills and experience, conduct research on a career field, interview a professional in their chosen field and participate in a mock interview or career advising session.

CE-199, 102, 103, 104: Academic Internship

Must have Sophomore status with minimum 2.2 GPA and acquire 135 hours from time of registration.

You can receive 0-3 credits for doing an internship. Please refer to

www.jcu.edu/careercenter/students/internships for requirements

Please refer to undergraduate bulletin for information on prerequisites for all Career Education courses.

The Center for Career Services also provides resources for students and alumni to connect with employers and each other. There are career fairs, on campus interviews with employers for entry level positions and internships, Career Connection (the online system housing job postings for all levels of experience), the Carroll Contact network (alumni and other friends of JCU serving as career mentors/networking contacts), and other on and off campus event listings.

THE BEAUDRY AWARD

1951 - 2010

For four years the Sodality at John Carroll had given an award to the student who had done the most for the University during that year. At the fifth annual Sodality dance in 1951 the award was changed in two ways. It was henceforth to be called the "Robert Beaudry Man of the Year Award" to commemorate the deceased Sodalist's memory. Also, in the future only seniors were to be eligible as recipients.

The Beaudry Award is now given each year at graduation to the young man or woman voted most deserving of the honor by fellow students. As in the past, the award recognizes outstanding service in three areas: Christian leadership, academic achievement, and contributions to the University community.

ALUMNI GIVING, 1978 - 2010

Year after year, John Carroll graduates show their generosity and dedication to the university through their financial support of the annual fund, capital projects, and other leadership gift opportunities, such as endowed scholarships. Their support is the foundation for university advancement. Alumni/ae giving provides essential operating support to meet ongoing and recurring University needs such as student scholarships and loans, advances in academic programming, technology improvements, library expenses, student extracurricular activities, faculty and staff salaries, and maintenance of campus facilities and grounds.

The figures reported below represent the total in alumni/ae giving including corporate matching gifts generated during the University's fiscal year.
